

Azulindus y Martí

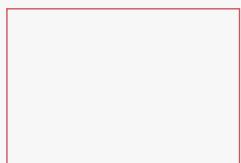

Chianca

porcelánico
porcelain tiles

Esta colección está inspirada en el chianche y el chiancarelle son losas de piedra caliza italiana. Muy típica de los edificios rurales de la región italiana de Apulia, caracterizada por ciudades encaladas, tierras de cultivo y kilómetros de costa Mediterránea.

This collection is inspired by the chianche and the chiancarelle are Italian limestone slabs. Very typical of rural buildings in the Italian region of Apulia, characterized by whitewashed cities, farmland and kilometers of Mediterranean coast.
