Para Manaus nos hemos inspirado en una pizarra de Brasil que destaca por sus tonos negruzcos y sus ligeros efectos de sales y cal. A la vez hemos hecho un cuidado trabajo de los efectos para darle unos brillos sutiles en la superficie.

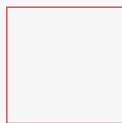

For Manaus we have been inspired by a slate from Brazil that stands out for its blackish tones and its soft effects of salts and limescale. At the same time we have worked carefully on these effects to give it a subtle shine on the surface.
